

2024 Michigan Notable Books Night for Notables

April 20, 2024

Rich in critically acclaimed authors, Michigan's significant literary heritage is proudly celebrated by the Library of Michigan and Library of Michigan Foundation annually with the Michigan Notable Books Program, the Night for Notables Reception, and the Authors' Tour to 50 libraries across the state.

Celebrating Michigan people, places, and events

For nearly 30 years the Michigan Notable Books Program (MNB) has promoted literacy and reading at all levels and encouraged communities to celebrate writers and books.

Michigan Notable Books Program annually selects twenty books, published the previous calendar year, that highlight Michigan people, places, and events, or are written by a Michigan author. Diverse selections include fiction and nonfiction from all genres and reading levels.

Previous notable authors have included: Angeline Boulley, Chasten Buttigieg, Bonnie Jo Campbell, Christopher Paul Curtis, Karen Dionne, Gijsbert van Frankenhuyzen with Gloria Whelan, John Gallagher, Anissa Gray, Dr. Mona Hanna-Attisha, Jim Harrison, Stephen Mack Jones, Elmore Leonard, Hank (Hendrik) Meijer, Michael Moore, Patricia Polacco, Wade Rouse (pen name Viola Shipman), and Michael Zadoorian.

Sponsors make it all happen

Your generous donation to the Library of Michigan Foundation will help ensure rich literary and life-long literacy programs like MNB continue to thrive, that Michiganders are exposed to high-quality books published about our home state, and residents see reading as a significant family experience.

Night for Notables Reception, Saturday evening, April 20, 2024, at the Library of Michigan, downtown Lansing, offers an opportunity to recognize and celebrate books and authors and to enjoy a program featuring a renowned speaker from the literary community.
